“Working Together for Those We Serve”

MedicAlert Thank You

I would like to advise you that MedicAlert are very grateful for any donations received and would like to thank Lions for achieving our Centennial Challenge of funding the Early Start Programme for 100 Children for 10 Years.

In the attached copy letter from them, together with one from the MD Officer, They are thanking everyone for their donations and for the ability to support 145 Children, which was an excellent result.

As noted by the MD Officer, the scheme is continuing and they will always welcome your donations, whether for the Early Start programme or as a straight donation, so please continue to give your support to MedicAlert.

Please remember, I am always available to come and talk to your Club, Zone or Region. All I need is a little notice so that I can make the necessary arrangements.

Thanks

Yours in Lionism
