ENVIRONMENTAL POSTER COMPETITION 2018 - 2019

Now is the time to encourage your local schools, youth clubs Brownies, Guides, Cubs, Scouts and other youth groups to enter this competition.

DG(E) Ken and myself have decided that too many Environmental issues are negative and so we have chosen a subject which we hope is positive and will allow the children to really think.

This year the chosen topic is:-

FROM FREIGHT CONTAINERS TO HOMES FOR THE HOMELESS

How can old freight containers be turned into homes for the homeless? This is a recycling project and would help to reduce the number of unwanted freight containers that can litter our countryside. It is also a link to the poetry competition which this year has Homelessness as its theme. I know that these containers have been used to make a home as seen in a Grand Design programme so it is a feasible project.

The closing date for the competition is 15TH DECEMBER 2018 so please try to get some entries to me by then. I look forward to seeing them!
