**WORLD SIGHT DAY OCTOBER 11<sup>TH</sup> 2018**

Fellow Lions

Chichester Lions are holding an open day at the Apuldram Centre on Thursday 11<sup>th</sup> October. See flyer below.  
Why not take the opportunity to go and see how Chichester Lions deal with all the glasses that we collect in 105D?

**WORLD SIGHT DAY OCTOBER 11TH 2018**

Chichester Lions Club will again mark **World Sight Day** on **Thursday October 11th 2018** by holding an  
**"Open Day"** at their Spectacle Recycling Centre at Apuldram (The Apuldram Centre, Common Farm,  
Appledram Lane South, Chichester, West Sussex, PO20 7PE).

We would like to invite Lions from all Clubs in the District, Multiple District, suppliers of spectacles in the  
area and friends and family to come along to see what we do, see spec-sorting in action and perhaps sort  
some specs themselves.

Refreshments will be served, so why not join us.

The workshop will be open from 10.00am until 1.00pm.

For further details as to where to find us, please visit our website at: [www.chilions.org.uk](http://www.chilions.org.uk)

If you wish to come please can you notify Sue Boucher on 01243 785737 or e-mail our website.

During the second week of October, and especially on World Sight Day, Clubs are asked to do something to help the  
blind or visually impaired within their community, or to raise awareness of vision issues within their community.  
If you have a club which supports the blind in your community why not do something special for them when they meet  
during October or help a blind person living in your area.  
Make the community aware of one of the difficulties of being blind or having low vision by arranging a blindfolded walk  
for your club and a local signatory, such as the Mayor, to experience problems of obstacles on pavements. Believe  
me there are more than you realise!

If you just want to donate to Sight Projects then consider Sight Savers, Guide Dogs for the Blind or Living Paintings.
